Hi my name is Faith McIntire, I am 12 years old and in the 7<sup>th</sup> grade! I am in the Scott's Valley 4-H group and this will be my 7<sup>th</sup> year doing 4-H. This year I will be marketing two meat rabbit pens! One of the pens (there are 3 rabbits in each pen) will be Californians. Some things I like to do in my spare time is play with my pets, spend time with my family, fish and ride quads! Thank you for supporting me and the 2020 Lake County Fair Junior Livestock Auction, without amazing buyers like you we wouldn't be able to continue this tradition.
