County Lake

City Kelseyville

Animal Weight (in Pounds) 297

Date of Reported Weight 09/04/2020

Description

Hi, my name is Maddy. I am 15 years old and going into my sophomore year at Kelseyville High School where I am an honor roll student. This is my first year of FFA, my 8th year of 4-H, and my 4th Swine Project. I am currently the President of the Big Valley 4-H Club. During my freshman year, I was a member of the Kelseyville High School volleyball and swim teams. I am also a member of the Konocti Bay Volleyball Club team, the Lake County Channel Cats, and the Lake County Youth Orchestra where I play the violin. My future goals are to graduate with top honors, enroll at UCLA, and to pursue a degree in medicine.

This year I have 1 market hog named Winnie. She is from the Smith's AA Swine Farm in Lakeport and is yet again a perfect example of the quality hogs they breed. Her daily exercise consists of a 15 – 20 minute walk. She has a great personality and loves to run around. She enjoys cooling off in a kiddie pool and eating her favorite snack - apples. Thank you for supporting the Lake County Jr. Livestock Auction!

Quantity: 270
