**Animal Weight (in Pounds)** 250

**Date of Reported Weight** 09/04/2020

### **Description**

Hi my name is Macy Holt from Kelseyville FFA and this is my hog Tiny. I have been an active member of FFA beginning my 8th grade summer and have been an officer for 2 of those years. I have raised a market goat, 3 market hogs, as well as planted a winter garden for my FFA projects. I am also actively involved with K-CORPS Search and Rescue, a KHS band member, and will be taking 3 college courses this upcoming semester at Mendocino College. I will be the ASB Senior Class Secretary this year and hope that we will be able to create fun activities for our students whether we are online or on campus. Fun facts about me are that I am a HUGE Disney and Harry Potter fan. I hope to attend the Disney College Program in the Fall of 2021, and once concerts are allowed again, I'm sure I will be found at a Why Don't We concert and a Niall Horan concert. I plan on attending a community college after high school and transfer to San Diego State to study Hospitality.

**Quantity:** 250
