Date of Reported Weight 09/04/2020

Description

Paige Smith with Upperlake FFA, I'm a junior who enjoys playing different sports and challenging myself both mentally and physically, I have enjoyed raising my two market goats, Oakley and Elliot. I have learned better leadership, time management, and communication skills whilst raising my goats. I'm using my fair project funds to save up for a truck. Thank you for your support.

Quantity: 82
