Date of Reported Weight 09/04/2020

Description

Iyali Aguirre with Kelseyville FFA, I will be going into my junior year in high school as well as my third year as a Kelseyville FFA member. I have learned lots of leadership skills by serving as the Kelseyville FFA Chapter Reporter for going on 2 years now. This is my first year raising a market hog and have enjoyed every bit of it with my market hog, Rosebud. In the past months I have been exposed to lots of knowledge and experiences, all of which have made me obtain a passion for the swine industry. I'm hoping to use my fair project funds to continue to be involved in this industry as well as invest in future project hogs.

Quantity: 270
