Description

Tux was born and raised on my family farm on Jan 3 2020, from a very difficult birth. My mom had to pull all of the piglets from his litter. There were 9 of them.

throughout the summer I had worked with him and made sure he had food and water. From the beginning we knew he was going to be a big ol'boy. We weighed him several times during the year. But at fair weigh in this ol boy weighed in at 327pounds.

In his show debut he took 2nd in his market class.
