Description

Rascal is a barrow that came from Longmount, Colorado. He is a Hampshire black and white hog. At weigh-in's he was 275 lbs at the fair. He is a longer pig which should equal lots of delicous bacon and who doesn't like bacon. He was feed high quality feed and lived outside in a pig run with a pig hut with two other buddies. Water from our well was provided that has tested safe. He has been wormed in the appropriate time frames and has never been sick or needed vet care. He was walked often and given nice cool baths as a reward. I have really enjoyed raising him and working through this process together with him. Thank you for your time and consideration regaurding Rascal.
