Description

Hi, my name is Nathan Boomer and I am 12 years old and this is my 7th year with Upper Lake 4-H. I am a member of the Outdoor Club, Rabbit, and Steer groups and have served as the Sergeant of Arms. My hobbies are riding dirtbikes, hunting, and helping on our family's ranch. My favorite sport is football and I hope we have a season this year. I raise market steers and rabbits. I chose to sell my steer privately this year, but I am looking forward to seeing how my rabbits do in their market class. We bred and raised two kits of Californian rabbits for the first time. I have worked hard to make sure they stay cool on hot days and that they are happy. I plan to use my project income to invest in this breeding project again next year. Thank you for supporting the Lake County Fair Jr. Livestock Auction!
