Description

My name is Marion Sberna and I have been raising a hampshire lamb since June. My brother helped me pick her name, June, she is called this since I got her during the month of June. Confusing, I know. She is a very playful lamb and I make sure to feed her the right amount of feed everyday so she can make weight. And I always make sure she has water and a shaded place for the extra hot days. I love June so much and I'll be sad when she has to leave, but I will always cherish the memories I made with her.
