### **Description**

My name is Kevyn Lobaugh and this is my 2nd year as an FFA member and 1st year showing. I have been raised around many animals but only recently decided to become more involved in livestock. Last year was my first attempt at showing meat chickens which came to a quick stop due to the poultry virus, so this year I decided to try a larger animal. Being a fan of bacon and ribs has brought my attention to the market swine...because who doesn't love bacon. I am looking forward to this years auction and would very much appreciate any support you have to offer. Thank you.
