Description

Trace has enjoyed raising Sonny, his male Market Lamb. He is closely bonded with his pen mate, Cher, who stands out with her large tuft of hair and larger stature, both of which inspired her namesake.

Sonny, on the other hand, shows quite an affinity for another animal on our farmette... a 3 month old Nigerian Dwarf goat named Sweet Pea. They are frequently spotted bedding down near each other's fields.

Sonny has taught Trace many valuable lessons about responsibility and patience through his halter training and overall care. Sonny will follow Trace in and out of the pen... on halter or not.
