Description

Hi, my name is Meghan Renfro. I am a member of Scott's Valley 4-H. I am 10 years old. I like hunting and fishing, showing my horses, and playing sports. This is my first year doing a market steer project. My steers name is Number 5. I gave him that name since he was the fifth calf born that year. I had fun picking him out of our herd and watching him grow. I'm really looking forward to the steer show and auction.
