Description

My name is Katelyn Bullock and this lot is my cross bred gilt. She was born on January 29, 2020, I have been raising her on my farm since she April 10th. Enjoy the pictures and the video of pigs being pigs playing in the mud. She won a first place ribbon at the Anne Arundel County Fair. I also won Reserve Chapions Swine Showman.

I am 14 years old and a 9 th grader at Southern High School. This is my fifth year in the Harwood 4-H Livestock Club and first year in Southern FFA.

I am raising 2 market pigs this year. My market pigs this year are a duroc gilt (girl) and a crossbred gilt. Through my 4H experience I have learned a lot of responsibility and take pride in raising pigs without using hormones, steroids, and unnecessary antibiotics. Our farm is in South County and my animals are pasture raised as much as possible. I

understand the importance of making sure my animals are healthy and well fed. My pigs are fed Sunglo Feed rations and are finished on our home-grown veggies and apples.

This year have been unlike previous years and I have been unable to show my pigs throughout the summer due to Covid-19. I usually participate in 4 to 5 shows during the summer. I am extremely grateful for our parent volunteers that are making sure we are able to show and sell this year despite our challenges.

I am also focused on my schoolwork and have made Principals Honor Roll the last 5 years. I enjoy readings and watching YouTube when I am not taking care of my animals.

Thank you for supporting 4 H and FFA and thank you for giving my friends and I the opportunity to learn by doing and supporting local agriculture.

I would like to extend a warm Thank You to my buyers last year, my Grandmother Susan Burrowbridge and Owens Comfort Systems of Davidsonville. My family has been very supportive, and I could not do this without them.
