Description

Presenting my york gilt. Just look at her pictures to see her depth, muscle tone and what a great gilt she is. I think she is one of the best pigs we raised this year. She will make a great tasting pork product for your family. I just turned 19 years old so this is my final year in 4-H. I am going to Anne Arundel Community college and working at our family farms this year. My future is bright as 4-H has taught me many life skills.

I am lucky to live on our family farm because I am able to raise animals right behind my house. This is my 11th year showing in 4H but my 13th year raising animals. This year I raised market hogs and a market steer. Raising animals is fun but also hard because of the hard objectives that

need to be completed. This has taught me responsibility, time management and other life skills. All of these things will help me out in life as I leave the 4-H arena. I am also involved in the Boy Scouts and last year I received the rank of Eagle Scout. I did my service project at the Anne Arundel County Fairgrounds which I hope will be enjoyed by all for years to come. I like to give back to my community as the community has supported me and 4-H for many years.

I want to thank my 2019 buyers. Melanie Mathews who purchased my market lamb, as well as Giant Food's and Chris Pokorski for buying my market hogs. But since this is my last time in the Auction I wanted to thank all the buyers that supported me during my years in 4-H so thank you very much to: Quality Built Homes, Dale Gertz, Papa Johns Farm, Jim & Gina Schillinger, Larry & Diane Grainger, Columbia Bank, Wood Camp Farm, Graul's Market, Cabin Creek Farm, Diversified Site Works, Ferguson Trenching, Jeff Ferguson, Gary Martin, Melissa & RC Jones, Dr Shari Kennedy, Southern Maryland Equine Veterinary Service, Kier & Tina Boyd, Peter Knowlton, Mike Daugherty, Homestead Gardens, Brian Riddle, Greg Boteler, Hewitt Hymas, Ed Carney, Mary Henschel, Matt Scofield, Brian Abell and my parents Joe & Deana Tice. Thank you all for supporting me and the 4-H Program for years.

Because of you, myself and other members in 4-H have been given the opportunity to care and raise animals giving us a fun but educating experience. You all have given continuous support throughout many years which greatly encourages members to continue in their projects as well as brings in new members, giving them the chance to benefit from the skills learned through 4-H. We 4-Hers will continue to give to the community too thanks to your support.

My time in 4-H was the best way to grow up and I just can not thank everyone enough for your support. God Bless you all!!!
