Description

Look here at my great spot gilt. She has been a good girl to raise as she has been gaining well throughout my project. Her struture and rate of gain should give the buyer a wonderful pork product to enjoy. I am 17 years old and this is my 9th year in 4-H. I am a member of the Harwood 4-H club. I am attending Southern Senior high and this will be my last year of High School. I am looking forward to my senior year. In 4-h I raise pigs and cattle on our family farm. This is my first year raising a steer. I am very curious and have a lot to learn. I have been raising pigs since I was 5 years old, so they are my favorite

animal. I am working on my Eagle Scout project by building Pig holding pens for the AA fairgrounds. I work after school and on weekends at my family's horse farm and sell our meat at our family farm too. As an elder 4-H member now, I hope to set a good example for the youth that come after me and I will defiantly be around to help.

The only thing more important to me than fair and 4-H are the buyers. They make 4-H projects possible. I can not give them enough thanks for the years of support they give to all of us 4-H members. I would like to thank my amazing 2019 Buyer Mr Brian Riddle from Homestead Gardens. Thank you for coming out year after year and supporting all of us.
