Description

I am blessed to be involved in the livestock industry showing my animals. This is my goat, Cookie. I bought him and have cared for him since May and was looking forward to showing him at Rodeo Austin and making memories. I also participate in livestock judging and consumer decision making contests. I enjoy showing animals at jackpot, county, and major shows and look forward to showing for many years to come. I have learned a lot about animal care, responsibility, sportsmanship, respect, leadership, and how to fit my animals for show. I plan on going to Leggetts You Got to Believe Lamb and Goat Camp again in August to continue learning about my show animals. Thank you to everyone for your support and helping the youth in the livestock industry continue to do what we love to do, showing and caring for livestock and making many friends and memories along the way. Your support is greatly appreciated!
