Description

As a graduating senior for the class of 2020, one of my various projects for the 2019-2020 show year were my market rabbits! Showing my set of rabbits at the Rio Grande Valley Livestock Show during a pandemic was a wild adventure! Being able to experience such a remarkable event like this will be such a story to tell one day! The major key point in that story will be how during the COVID-19 I was able to win 1st in class, Breed Champion, and Grand Champion Market Rabbit! It will always be a remarkable achievement to me! Solely based on the reason that hard work and dedication really pay off! Having to get up everyday and tend to my animals daily really helped me have an understanding on what the ffa is really about.
