Description

Hello, my name is Dominique Requenez and I am from Palmview, Texas. I am a Jr. Member of Palmview FFA where I have the opportunity to exhibit my show cattle. This year I had an awesome time showing "Solar" my American Cross home grown steer. Ever since I can remember my family has been raising cattle. Yours truly, always claims first pick, or you can say "shotgun!!! that one is mine." I immediately chose him when he was born behind our house. He is a Clubby American Cross Bred steer, he is white and he was mine. I knew at first sight that it would be hard to beat him! Throughout the year of raising him, we had many up's and down's, he was hard headed at time's and not to mention, very smart! He often opened gate's and somehow always wound up untied!! Even caught him on video!

I want to Thank RGVLS for giving us the opportunity to show our projects this year and all of you that are supporting us in this cause. This pandemic has caused choose for all of us. Thank You for Your Support!!!
