### **Description**

My name is Jacob Green and I am 17 years old, a Senior at Old Mill HS and I also completed the plumbing program at CATN. This is my 10th and probably final year in 4-H and raising and showing pigs is my absolute favorite. When I'm not working with my pigs I can be found playing soccer or LAX, Wake Surfing or working for my fathers construction company. I love to be outside so I was able to stay pretty busy this summer despite COVID.

Up for auction is my pig Mia, a hampshire cross. Back in April I purchased my 2 guilts, Letty and Mia, (any Fast and Furious fans out there?) from my favorite breeder Dale Hough. Both pigs are of superb quality and have been raised on a quality feed, fresh apples from our neighbor's tree and a smidgen of marshmallows because who doesn't love a good marshmallow. Feel free to bid to your hearts content and as JD my favorite auctioneer would say "let's see how many times you can hit that **"Bid"** button without

getting caught". I know that's not exactly what he says but it's only slightly modified for online bidding. If for some reason you don't want a freezer full of high quality pork but you just want to support me then by all means hit that "**ADD ON**" button and make a donation directly to me to support my 4-H career. Thank you for your consideration and your continued support all these years.

Thank you to my 2019 buyers HD Squared Architects and Mark Baer.

Special Thank you to all my amazing past buyers over my 4-H career. I couldn't have done it without you.

Pat's Paving & Trucking, Carla Bangs ( my awesome Grandma), Affordable East Coast Remodeling, Jackson Livestock, Fielder Family, Patrick Pollock, Brian Chisholm, Sandy Springs Bank, Owens Comfort system and Hough Family.
