Description

My name is Jacob Bjerknes, I am 16 years old and in eleventh grade at Southern High School. In school I'm on a dual completion track which means I'm working toward both career and college requirements. I attend the Center For Applied Technology (CAT) South where I am in the Welding Program. As part of the FFA I am on the Animal Science Pathway for the Curriculum for Agriculture Science Education (CASE) working on the agriculture college path.

This is my first year raising a market steer. I purchased Kobe, a purebred polled Hereford steer from Churchview Farms in Millersville, Maryland. I am in the Harwood 4-H Livestock Club and the Secretary of the Southern High School FFA. I am showing Kobe through FFA and I am proud that he will be the first ever FFA steer shown at the Anne Arundel County Fair. I have found that raising a steer takes a significant amount of time and have been documenting the effort because he

is my Supervised Agriculture Experience (SAE) in FFA. Kobe has taught me a lot about responsibility this year as well as patience and self-discipline. I would really appreciate it if you would consider purchasing my market steer and make all my efforts pay off. I would like to thank my family and friends for all their support. THANK YOU all buyers for your support and contributions made during the Anne Arundel County 4-H/FFA Livestock Auction.
