Description

Hi my name is Cayden Woodhull. I am 10 years old and in 3rd grade. This was my first animal to show at Montgomery county fair. I was so excited to show like my sisters have. I worked hard for months getting up early to feed and right after school to walk Pickles and teach him everything he needed to learn. He loves cookies for a treat and to get a bath is his favorite. He would lay in his pen with me and just let me love on him. I hope to raise money for my savings for college throughout my FFA experience and to help purchase my next animal because I will do it again even though this time I didn't get a chance. Thank you for reading about my animal!!
