Description

This is my Yorkshire gilt, Cleo. I have had a great time raising pigs in the past so I was excited to raise another this year. Cleo was born March 4, 2020 at Hamby Haven and I purchased her on March 9. She has been housed at Kinder Farm Park with ample space to run around outside as well as an indoor stall. Her diet has consisted of unlimited access to locally sourced cornmeal from The Mill. She has been a pleasure to raise and work with, and I am looking forward to a great auction!
