### **Description**

Hello, my name is **Jacob Bowen**. I am a High School Graduate from the Excellsior Academy. This was my 13th year exhibiting steers in Jackpot Shows and my 10th year showing in 4H. **I raise Hereford Cattle for the feed conversion as they are the efficiency experts.** Gunner has been a fun project to have and watch him grow. He was easily trained and prepared daily for exhibition. Although, due to COVID19 I was only able to take him to one show this year. None the less I still treated the year like a show year working with him regularly.

I strive to raise the best quality meat I can for the consumer. At home I raise our cattle to sell at the farmers' market in which I enjoy hearing the customer's comments about the meat.

I am thankful to everyone who has supported me through the years of exhibiting cattle and goats, especially my family.

THANK YOU, Giants Foods, Inc., David Gorman, and Mr. Coridini for your support and contributions by purchasing my 2019 market projects.

**Quantity:** 1366
