Description

Hello, my name is **Jacob Bowen**. I am a High School Graduate from the Excelsior Academy. This is my 13th year exhibiting steers in Jackpot Shows and my 10th year showing in 4h. I raise cattle on our farm to feed our community.

Cosmo has been a fun project to work with. He was skittish of people when I first got him. Working with him daily has allowed Cosmo to develop a bond with me so that he trusts me. I'm dissapointed that because of COVID19 I have only been able to show him once this year. None the less I still worked him at home.

I strive to raise the best quality meat I can for the consumer. This isn't a hobby for me, this is my lifestyle.

I am thankful to everyone who has supported me through all the years of exhibiting cattle and goats, especially my family.

THANK YOU, Giants Foods, Inc., David Gorman, and Mr. Coridini for your support and contributions by purchasing my 2019 market projects.
