### **Description**

My steer's name is Stormy. This is the first steer I have raised and my first time showing at a fair. Even though our fair was virtual I was excited and proud of how my steer finished. I have learned a lot raising Stormy. I'm looking forward to getting another steer for next year's fair! I will use the money I earn to buy a calf, feed and supplies. Thank you for considering supporting my 4H project.

**Quantity:** 1
