Description

My name is Trista. I'm a sophomore from Oak Ridge FFA. I am in AP and Pre AP classes at my high school. I strive to make good grades and do my best in every aspect. My 2019-2020 show animal project is a red Duroc barrow named "Johnny Cash" nicknamed "Cash." I've worked with him daily for multiple hours after school and on weekends. Currently, he weighs 230 lbs. I was looking forward to showing my pig with the many other kids at the Montgomery County show. Unfortunately, due to the COVID 19 virus that is not an option anymore. I have put in so many hard working hours getting my pig to where he needed to be for the show. I started the year by raising some funds to purchase my pig and saved up to be able to help my family offset the extensive costs of showing. I have worked hard putting my literal blood, sweat and tears into this animal. I start my day by waking up at 5am to get to the ag barn to feed before school each day. After school, I spend many hours walking, bathing, oiling, feeding and training the pig. I clean his stall out each day and change the shavings each week. What showing animals means to me is being able to face new challenges everyday and overcome them as well as learning different responsibilities. It means family. My family helps me by supporting me. They are the reason I started showing in the first place. I look up to my brother, mom, uncles, and aunt who were all exhibitors in the past. I come from a line of hard working, dedicated showman and I want to make them proud!! This animal helped me push myself to many limits that I did not think I could reach before. I am raising money to be able to purchase a show animal next year and hopefully help with the monthly costs to raise and care for the animal. I pride myself as being responsible and hard working and I really appreciate the opportunity to be in this fundraiser premium sale since our county show was cancelled. Thank you for your support. Whether you bid or choose to donate thru add on I would like the opportunity to thank you for your support and since we cannot see who donors are, please let me know who donated so I can thank you.
