Date of Reported Weight 09/12/2020

Description

Eminem is my pigs name and he is a hamp cross barrow. I feed him twice day for a total of 4 To 5 lbs a day. Eminem loves his afternoon walks around the barn. I've had many successes in training him and getting him ready for show. Raising an animal has taught me the many responsibilities that come with an animal project. Raising swine for years has given me the tools in order to be successful In being responsible.
