Description

San Benito Fair FFA Champion

Market Goat

Hello! My name is Kohen Nelson and I am a Sophomore at San Benito High School. This is my second year in the Hollister FFA Chapter. My goat, Speck, is out of my own herd of 40 head. He was born on March 4, 2020. He is sired by my buck Black Balled who is a Blackout son from JC Boer Goats. The dam is a Brem doe by Changing Times. This kidding year was a succesful year, kidding 23 live out of 10 does. This show year has been a tough one on all of us exhibitors and breeders. I am thankful for the support of all. I want to send a special thank you to Dara Tobias and the Board of Directors at the

San Benito County Fair for making this virtual event happen for us. Good luck to all the exhibitors in this show!

Sincerely,

Kohen Nelson
