**Description**

My name is Samantha and this is my sixth market hog for the San Benito County Fair, and my first year as a Hollister FFA member. Although the global pandemic has made it much more difficult, I am happy I chose to participate in the fair this year. I would say that this year I have learned perseverance in the uncertainty of what, if any, fair would look like. My market hog has been well taken care of and a joy to raise. Overall I will look back on this year as a memorable one. Thank you for your support.
