Description

Hello, My name is lenyssa Espinoza and im in Hollister FFA. This is my senior year. My goats name is Kazoo. It was very fun raising him this year. He had a stubborn personality but as he grew to like me, I noticed that he would hop everytime he felt excitement. I learned a lot. Especially how to overcome challenges and adapt quickly, due the current conditions. Although I am sad that this is my last year, I am thankful for the experiences and the knowledge I gained over these last four years. Hopefully with this money I can apply to an University and learn about law. I wish to become a politician and work at the UN. With your help I can achieve this goals. Thank you for considering to buy my goat. I hope you enjoy the rest of the auction.

Quantity: 1
