### **Description**

It's fair time again, but this year is a little different! My name is Katherine Brewen, but everyone calls me Kate. I am a Freshman at King City High School, and I have been showing cattle and lambs for over six years. The one thing that I look forward to every year is the San Benito County Fair, which is my favorite fair because of the small-town atmosphere. At the San Benito County Fair, everyone is family. COVID-19 has been negative for most, but I look at it as a challenge that I can defeat and succeed. I will use this experience as a precious learning skill. If I can achieve now, can you imagine what I will do as an adult? Yes, I feel very fortunate to live on a small ranch and spend time working with my animals.
