### **Description**

This is a Powerhouse Farms gilt that I've been raising. She is a Hamp X, which is my favorite breed of showpigs. I am a Sophomore at San Benito High School. I have been raising and showing hogs for 6 years, first with 4H and now with FFA. I've spent many hours feeding and taking care of my project hog. I've learned the responsibility of making sure the gilt was healthy and exercised. I plan on using the money to fund future swine projects in FFA. Thank you for supporting 4 H and FFA and thank you for giving my friends and I this opportunity and supporting local agriculture.
