**Description**

Hello,

My name is Arhianna Scales. I am a Freshman at Santa Fe High School and a member of the Santa Fe FFA. I was looking forward to exhibiting my 1200 pound ABC steer named Bregman at the Houston Livestock Show & Rodeo this year but unfortunately was not able to because it was cancelled. This is something I was looking forward to as I do every year. I have been working with my steer since around this time last year. It is heartbreaking to work so hard for something and not have the chance to see what we could have been. I have been showing steers since I was 8 years old. I love working with my animals and the responsibility it has taught me. I love the memories I have made and the friends I have made along the way. The stock show family is truly unique as it teaches us respect, hard work, responsibility, determination, and the ability to learn how to come together and stick together during rough times. This was definitely one of those times. I hope to show at our upcoming county fair but not sure if that will happen. I will continue to work hard and hope to be able to get new steers for next year to show. Thank you for this amazing opportunity.
