## **Description**

Hi my name is Yareli Gonzalez and I am a senior at James Madison high school. I have been raising for three years now and I truly love this program. I have two Charolais; Bullet and Goliath, which I have spent many hours working with them to grow a strong bond and trust. Once I graduate I plan to go to college and work in computer science. Any money I receive I will be using to help pay for my education. I do appreciate any and all support, thank you for stopping by.
