Description

Chancho is my Southdown Market Lamb project this year. It was a new experience for me since I've only ever shown goats and horses, but I've enjoyed it a lot. I really thought he would be small, but eats A LOT and has grown to be bigger than my sister's fine wool. I've fed him Moorgrand's Show Feed and a handful of hay every morning and night. Chancho definitely loves his hay. He seems to be a bit calmer than my sister's fine wool, but he's definitely more stubborn. I had planned on also showing him at the FWFSS this season, but those plans changed in the Fall when it was cancelled. The ECJLS will be my only chance to show him this year and I am looking forward to seeing how he does in the ring.
