Description

My name is Audree Bicknell and I am a junior from Cleburne FFA. I was very excited to show my shorthorn at Houston. This is my 4th year showing and any money I earn will go towards my next years steers and my college fund. My favorite part about getting ready for Houston is making funny designs in my steers hair. I will make arrangements with the buyer if they choose to keep the steer. He is 1,308lbs of great meat. Click Documents for videos.
