Date of Reported Weight 12/28/2020

Description

My 2020-2021 FFA project is a market hog. He is a light colored cross with a black face, large black spot on his back hip, and three conjoined spots on his back. I got my market hog in the first week of October. I have put a lot of time and effort into getting him ready for this show. We have come along way to get him where he needs to be at for county show.

Quantity: 1
