**Validation Tag or Show reference#** FLC Lang 922

**County** Clay

**City** Byers

**Description**

My name is Reece Hensley, I am a Junior at Petrolia High School . This is my seventh year showing heifers but I have been showing animals since 3rd grade. I have also been a Scramble Participant in Fort Worth and Houston. My scramble heifer I purchased the past two years was a Red Angus. I show every year at my county show, Fort Worth and Houston and I will be attending San Angelo this year. I live in Byers and I am active in all sports and I work weekends for a cutting horse ranch. When I am not working and playing sports, I am active in my FFA program with LDEs and CDEs and Clay County 4-H. I made it to state in horse judging and public speaking. I am truly grateful for anything y'all can give me and it will be put towards next year's project. I would like to say thank you to you all during these trying times.

**Quantity:** 1
