Animal Weight (in Pounds) 1120

Date of Reported Weight 01/04/2021

City Henrietta

Description

My Charolais steer's name is Biscuits. His barn buddy is named Gravy. He loves cattle cubes. He has also been fed a mixture of alfalfa, flaked corn, molasses with Rumensin, and oats. I've really enjoyed working with him this year. I plan to show him at San Angelo and San Antonio this year.

Quantity: 1
