Description

My name is Trent Tice and I am a senior at Henrietta High School. I have been showing cattle for 7 years. I am a FFA Chapter Officer where I try to be as involved as much as possible.

My project is my Brangus market steer named Donald. We raised Donald from our herd. My steer was exhibited at the Clay County Junior Livestock Show where he won Grand Champion. I will show him in March at the Houston Livestock Junior Steer Show.

Thank you in advance for donating to my steer project.
