**Description**

Meet my Brangus heifer, Prairie Flower. I've had her since she was born, on May 20th, but I started feeding and working with her when she was weaned. Even though she was very gentle, she did not want to lead. As time has gone on, and with lots of work, she has gotten better at that. I showed her, for the first time, at the International Brangus Breeders Association's National Show of Merit, in Fort Worth. That show was in November, and we worked very well together. I was proud of how she did. Since then, she has grown and we've both improved. I look forward to showing her at the Clay County Junior Livestock Show.

Update: Prairie Flower and I won Reserve Grand Champion Heifer. I'm so happy, about that, and very grateful to all who have helped me and to all the people that work hard to put on such a great show.
