County Texas

City Petrolia

Description

Hello! My name is Cody Cox, and I am a 5th grade junior member of the Petrolia FFA. There are a few things that I love besides mama and they are fishing, playing sports, boxing, but most of all showing my animals. This will be my 3rd year to show at the Clay County show and man am I ready! In this year's show I will be showing goats and pigs. I have 3 goats that I will be showing, 2 does and my wether named Chump. I first off named him Champ because I thought that he would end up being a Champion, but my brother doesn't like goats and called him Chump instead and the name stuck. I also have 2 pigs and believe me they are typical pigs. They go crazy when I go into the barn at feeding time! My gilt is name Toni and I named my Landrace barrow after my big sister Tatem. After working with them all for several months, I am ready to see how they do at the show. Thanks for taking the time to check in on me and my animals!
