Description

Hello ladies and gentlemen,

My name is Anna Ruddy, daughter of Carolyn and Richard Ruddy. One of my biggest roles in the Petrolia FFA is showing. This year I will be showing two pigs which I have chosen to name Luna and Spot. I have always loved animals and I'm honored I was given the opportunity to show and raise these pigs. In raising these animals I have learned many valuable lessons in life, and along with these lessons about life; I get to have first hand experience on some of the work I hope to do in the future as a veterinarian. Not very long ago I had injured myself in a basketball game. I had torn a ligament in my ankle; but these animals are very important to me so I'm continuing to show though I'll be in a walking boot. So though I might not be able to do what I used to, I'm going to give it my all; because my pigs have been amazing to me and I want to see all my hard work pay off still.
