Hi, my name is Julie Johnson and this is my 1st year to be showing and I am so excited. I have had Molly since May and I spent everyday outside with her during the summer to build a bond with her. I work hard everyday taking care of her. We had our first major show in November in Fort Worth at the BPG Cowtown Showdown, as well a few jackpot shows. I love showing Molly and we learn so much each show! I am so excited to be showing her at the Clay County Junior Livestock Show.
