### **Description**

I am Payton Oliver, an 8th grader at Alba-Golden ISD and a member of the Alba-Golden FFA. I love participating in FFA and everything it stands for. I am an officer for my chapter and placed 10th in State in Greenhand Chapter Conducting, but my true passion is showing hogs it's my "sport". I enjoy working with my hog and have spent many hours preparing for the opportunity to show my Market Barrow in Houston. Thank you for your support not only of my project, but of all the kids that didn't get a chance to show.
