**First Name** Succulent Garden created by

**Last Name** succulent project members of

**FFA Chapter or 4H Club Name** Big Valley 4-H

**County** Lake

**City** Lakeport

**Description**

Garden A with a value of \$60, made by the succulent project members of Big Valley 4-H. Planter measuring 11.5"W x 14.5"L x 5"H, filled with 12 various succulents!

The Big Valley 4H Gardening project includes 6 youth members; Ceci, Jayden, Payten, Annika, Megan, and Chandler. This is our first year for this project. We are all excited to learn how to grow our own vegetables and flowers and seeds. We are also planning to learn about beneficial bugs, making seed bombs, making bird snacks, and of course learning how to grow succulents from cuttings of existing plants. We had so much fun creating this succulent garden as a team. Thank you for supporting the Lake County Fair!

**Quantity:** 1
