**First Name** Reagan

**Last Name** Partin

**FFA Chapter or 4H Club Name** Cypress Falls FFA

**Validation Tag or Show reference#** 77698

**County** Harris

**City** Houston

### Description

Howdy! I am Reagan Partin and am currently a senior at Cypress Falls High School in Houston, TX. This is my fourth year in FFA, and I am currently President of my FFA chapter. As a senior I was looking forward to exhibiting my simmental steer, Luka, on the green shavings. Luka has meant a lot more to me than an ordinary livestock project. In 2019, I had participated in the HLSR Calf Scramble and caught which helped fund purchasing a steer for the HLSR 2020 show. I was beyond excited to try something new as this would have been my first ever steer after previously raising pigs. I learned many things while raising Luka and conquered many obstacles as well. When I heard the news that HLSR was cancelled, I was devastated that I would not be able to exhibit Luka. I was most upset that I would not be able to show everyone in the ring how hard I worked to be at what I am today especially after I spent many hours training him and making a stall display worthy of Luka. Also, my breeder, advisor, and I were confident he would have placed in his class. Any money that I have gotten from my animals has been put towards college including all proceeds being in the market steer auction with Luka. Plus after everything I have accomplished in FFA, I am proud to say that "I am the loudest, the proudest, Fightin' Texas Aggie of the Class of 2024!" At Texas A&M University, I will be studying Industrial Distribution in the College of Engineering. Anything big or small will be put towards my Bachelor's Degree. I appreciate the support you would give me and the agricultural industry! Thank you so much for your support and GIG'EM!
