Description

Senior year at my county show. This is such a bittersweet moment. I have exhibited at STAR since the 5th grade. I love the atmosphere, the camaraderie, the familiarity and the family. Not just my blood family, but my show family. Though the COVID 19 pandemic robbed many students of countless opportunities, I am immensely proud of the STAR committees for persevering to make our show happen. The STAR Show is particularly special to me for the showmanship contests. I am honored and proud to say I have earned champion or reserve champion showman at every STAR I have exhibited. This year on top of my Breed Champion Simbrah, I also earned Reserve Champion Steer Showman. One of my favorite STAR traditions is at our usual in person sale, going on stage with my friends to present their posters and thank you gifts. As I reflect, I will treasure the memories with so many that have influenced, challenged, and encouraged me. Thank you for your consideration for an add-on. I will enter Texas A&M in the fall as an Animal Science Major, any contributions will help with costs incurred in college.
