### **Description**

Friends and family it has been the biggest honor and blessing exhibiting cattle at the South Texas agricultural round up and I'm very blessed to say I won grand champion steer. This calf in particular has been a tough won, from barley being able to pull him to winning shows I can't describe how blessed I am for having great calfs but also having a group of amazing adults putting together the best county show all around. With that being said I am extremely grateful for being able to receive the start scholarship and the valley memorial one from Mr.Guerra, thank you guys for the best and last 6 shows I have been to.
