**Description**

Value \$350

Gene Kirkendall is donating a hand-carved leather notebook with 4 precious stones imbedded on the front. Starting at the top and moving clockwise the stones are as follows: Labradorite from Madagascar; Graveyard Agate from Oregon; Charoite from Russia; and Chrysocolla from Arizona. The inside lining (gray color) is elephant. The front and back are both hand-carved with kangaroo lacing. The value of this notebook is \$350.00.

Quantity: 1
